

What to look for when purchasing a top quality Shed from a top quality dealer

	Our Carports		Other Carports
Framing	2 1/2" 14 Gauge on 4' or less Centers		2" - 14 Gauge on 5' Centers
			
Braces	Support Brace on every truss		If at all, brace on front and back trusses
			
Braces	Support Brace on every truss in peak		Some units no bracing at all.
			
Adjustable Legs	Legs are adjustable so that roof is level		Install on ground, sometimes not level
Trim	Gable end has trim		No trim, can see coragated roof steel
